

2020 Subject Index

Acitretin.....	23	Lichen planus.....	23, 49, 64
Adipokine.....	44	Lichen simplex chronicus.....	83
Age.....	83	Livedo-like lesions.....	30
Albinism.....	26	Liver transplantation.....	57
Alopecia areata.....	19	Localized psoriasis.....	115
Alopecia totalis.....	19	Localized scleroderma.....	1
Alopecia universalis.....	19	Maculopapular.....	30
Androgenetic alopecia.....	12, 107	Malignancies.....	60
Anti-cancer chemotherapeutic agent.....	102	Melanoma.....	64, 93
Apelin.....	44	Metastasis.....	64
Autosomal recessive disorder.....	26	Microbiota.....	95
Black grains.....	118	Microbial interaction.....	95
Blaschko.....	64	Morphea.....	1
Bullous.....	53	Mucosa.....	102
Checkpoint inhibitors.....	93	Mycosis fungoides.....	6
Chediak-Higashi syndrome.....	26	Narrowband ultraviolet B.....	6, 112
Chilblain-like lesions.....	30	Neurodermatitis.....	112
Comorbidities.....	53	Nivolumab.....	93
Complementary treatment.....	76	Pachydermoperiostosis.....	60
COVID-19.....	30	Pemphigoid.....	53
Cutaneous.....	30	Photophobia.....	26
Demographic.....	83	Phototherapy.....	49
Dermatologic side effects.....	102	Prurigo nodularis.....	83
Dermatology.....	30, 49, 64, 76	Psoriasis.....	44, 64, 93
Dermatome.....	64	Pyoderma gangrenosum.....	70
Dermoscopy.....	89	Radioactive iodine131.....	115
Discharging sinus.....	118	Setting sun Pattern.....	89
Dyslipidemia.....	12	Skin.....	30, 95, 102
Epidemiology.....	53	Skin appendage.....	102
Eumycetoma.....	118	Skin diseases.....	95
Gender.....	83	Spider bite.....	70
Hepatic failure.....	57	Stem cell.....	107
Herpes zoster.....	64	Stromal vascular fraction.....	107
High-density lipoprotein cholesterol.....	12	Sulfasalazine.....	93
Hyperthyroidism.....	115	Touraine Solente Gole syndrome.....	60
Hypertrophic osteoarthropathy.....	60	Traditional treatment.....	76
Idiopathic pruritus.....	112	Treatment.....	1
Immunity.....	95	Triglyceride.....	12
Immunotherapy.....	19	Ulcer.....	70
Inflammation.....	44	Urticaria.....	30
Isotretinoin.....	6, 57	Vesicular rash.....	30
Juvenile xanthogranuloma.....	89	Vulvovaginal-Gingival syndrome.....	23
